Making up

Sew up the back seam of the body to just before the neck. Stuff with toy filling until desired firmness is achieved.

Continue to sew up the back seam along back of neck and head, leaving a gap big enough for stuffing. Stuff the head and then sew up the remainder of head seam.

Pin ear pieces to fabric and cut out ear lining pieces allowing an extra 1cm all the way round. Zig zag stitch around the edge of the fabric to avoid fraying. With right sides facing, sew each ear to the ear lining leaving a gap at the top. Turn inside out, so that the correct sides of ear and lining are facing out. Sew up the gap on the right side, press, and then sew to head, using picture as a guide.

Pin feet pieces to fabric and cut out paw pad pieces allowing an extra 1cm all the way round. Zig zag stitch around the edge of the fabric to avoid fraying. With right sides facing, sew each foot to the paw pad leaving a gap at the top. Turn inside out, so that the correct sides of the feet and pad are facing out. Fill the feet with popcorn kernels or plastic beads. Sew up the gap on the right side and then sew to base, using picture as a guide.

Sew up arm seams leaving a gap at the cast on edge. Stuff lightly then sew to body, along cast on edge, using the picture as a guide.

Using oddment of brown yarn, stitch on a nose and eyes.
